## FERGUSON FOR DELEGATE.

Democratic Chairman Marron Announced His Choice at El Paso.  
Ex-Mayor O. N. Marron, of Albuquerque, chairman of the territorial democratic committee of New Mexico, stated at El Paso to a News reporter concerning the political complexion of New Mexico:

"I do not think the democrats of New Mexico will make an issue of statehood in the coming campaign. They are all in favor of it and do not want any fight along that line. But I will tell you this much, the democrats of New Mexico have no intention of endorsing the nomination of any republican for territorial delegate. They recognize that they will have a hard fight to elect any nominee whom they may put up, but I think the democrats of New Mexico will elect their nominee if they put forth the proper efforts. Personally, I am in favor of Hon. H. B. Ferguson for the nominee, but there are a great many candidates already mentioned in the race. The convention will be at Albuquerque October 14, and the candidates I have heard mentioned are ex-Mayor Money, of Las Vegas, Judge Laughlin, ex-Delegate Joseph, Neill B. Field and H. B. Ferguson.

### A Remarkable Record.

Chamberlain's Cough Remedy has a remarkable record. It has been in use for over thirty years, during which time many million bottles have been the standard and main reliance in the treatment of croup in thousands of homes, yet during all this time no case has ever been reported to the manufacturers in which it failed to effect a cure. When given as soon as the child becomes hoarse or even as soon as croupy cough appears, it will prevent the attack. It is pleasant to take, many children like it. It contains no opium or other harmful substance and may be given as confidently to a baby as to an adult. For sale by A. E. Howell, Socorro; W. M. Borrowdale, Magdalena.

### A Stroke of Business.

A writer who was very intimate with Frank R. Stockton says that when the Stockton family lived in Buck county, Pa., Frank and his brother had a dog which they trained solely to hunt cats. The brothers were overhauled one day by a farmer whose cat they were chasing. To placate the farmer they gave him a dollar for a pig, which they took home. By driving away their father's pigs at feeding time they soon made their own the fattest pig in the pen and sold him at a profit of \$7. Frank R. Stockton always considered the deal a tribute to his business acumen.

### A Parson's Noble Act.

"I want all the world to know," writes Rev. C. J. Budlong, of Dashaway, R. I., "what a thoroughly good and reliable medicine I found in Electric Bitters. They cured me of jaundice and liver troubles that had caused me great suffering for many years. For a genuine, all-around cure they excel anything I ever saw." Electric Bitters are the surprise of all for their wonderful work in liver, kidney and stomach troubles. Don't fail to try them. Only 50cts. Satisfaction is guaranteed by all druggists.

### Infected English.

While he was being shown about Chicago by the mayor of the city, the French ambassador, Monsieur Cambon, expressed his thanks, says the New York Times, and added:

"But I am sorry so to cockroach on your time."  
"Oh," answered the mayor, "don't think of that. But you don't mean cockroach, Monsieur Cambon; it's encroach you mean."  
"Oh, is it? I see—a difference in gender."

Anyone troubled with night mare will find a halter in the barn.

Don't worry about paying your bill; the house is supported by its foundation.

### Owes His Life to a Neighbor's Kindness.

Mr. D. P. Daugherty, well known throughout Mercer and Sumner counties, W. Va., most likely owes his life to the kindness of a neighbor. He was almost hopelessly afflicted with diarrhoea; was attended by two physicians who gave him little, if any, relief, when a neighbor learning of his serious condition, brought him a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, which cured him in less than twenty-four hours. For sale by A. E. Howell, Socorro; W. M. Borrowdale, Magdalena.

### A Lost Habit.

Many a person has noticed that vacations make it hard to take up at once on one's return the old routines of work; but it is to be hoped that not many find the effect so serious as did old "Aunt Caline."

"Good morning auntie," said a woman of her acquaintance. "Why aren't you washing nowadays?"

"Well, you see, Miss Clara," said the old colored woman indulgently, "I's been out o' wuhk so long dat now, when I could wash, I finds I's done los' mah taste fo' it."

### Fortune Favors a Texan.

"Having distressing pains in head, back and stomach, and being without appetite, I began to use Dr. King's New Life Pills," writes W. P. Whitehead, of Kennedale, Tex., "and soon felt like a new man." Infallible in stomach and liver troubles. Only 25c at all druggists.

The longer a man argues to make a woman see the reason of a thing the surer she is to trust her instinct about it.—New York Press.

## Contagious Blood Poison

Is the name sometimes given to what is generally known as the BAD DIS-EASE. It is not confined to dens of vice or the lower classes. The purest and best people are sometimes infected with this awful malady through handling the clothing, drinking from the same vessels, using the same toilet articles, or otherwise coming in contact with persons who have contracted it.

It begins usually with a little groin, a red eruption breaks out on the body, sores and ulcers appear in the mouth, the throat becomes ulcerated, the hair, eye brows and lashes fall out; the blood becoming more contaminated, copper colored spots and pustular eruptions and sores appear upon different parts of the body, and the poison even destroys the bones.

S. S. S. is a Specific for this loathsome disease, and cures it even in the worst forms. It is a perfect antidote for the powerful virus that pollutes the blood and penetrates to all parts of the system. Unless you get this poison out of your blood it will ruin you, and bring disgrace and disease upon your children, for it can be transmitted from parent to child. S. S. S. contains no mercury or potash, but is guaranteed a strictly vegetable compound.

Write for our free home treatment book and learn all about Contagious Blood Poison. If you want medical advice give us a history of your case, and our physicians will furnish all the information you wish without any charge whatever.

### Easy Solution.

The English press reports a story which Sir Henry Campbell-Bannerman told in a recent speech on the corn tax.

A man once complained to three friends, an Englishman, an Irishman and a Scotchman, that his servant broke a great deal of china.

The matter-of-fact Englishman gave the short bit of practical advice, "Dismiss him."

"Take it out of his wages," suggested the thrifty Scot.

The objection to that was that the wages were less than the amount of the damage.

The Irishman came to the rescue. "Then raise his wages," said he.

### Attractive Women.

All women sensibly desire to be attractive. Beauty is the stamp of health because it is the outward manifestation of inner purity. A healthy woman is always attractive, bright and happy. When every drop of blood in the veins is pure a beautiful flush is on the cheek. But when the blood is impure, moroseness, bad temper and a sallow complexion tells the tale of sickness, all too plainly. And women today know there is no beauty without health. Wine of Cardui crowns women with beauty and attractiveness by making strong and healthy those organs which make her a woman. Try Wine of Cardui, and in a month your friends will hardly know you.

### Not Deemed for Life.

"I was treated for three years by good doctors," writes W. A. Greer, McConnellsville, O., "for piles, and fistula, but, when all failed, Bucklen's Arnica Salve cured me in two weeks." Cures burns, bruises, cuts, corns, sores, eruptions, salt rheum, piles or no pay. 25c at all druggists.

### NOTICE OF SALE.

Whereas, by the judgment and decree of the District Court of the Fifth Judicial District of the Territory of New Mexico, within and for the County of Socorro, rendered on the 27th day of May, A. D. 1902, in a cause therein pending, wherein George W. Bement and Preston Hussey were plaintiffs, and The Graphic Carbonate Mining Company and Asa B. Fitch were defendants; it was among other things ordered, adjudged and decreed that said defendants pay to said George W. Bement within ninety days from the date of said decree the principal and interest due and owing on certain bonds of said The Graphic Carbonate Mining Company, and held by the said George W. Bement; to-wit: The principal of said bonds in the sum of \$42,500.00 with interest thereon at the rate of 7 per cent per annum to be computed from the date of the maturity of the last semi-annual installment of interest then due or which might thereafter become due according to the terms of the coupons attached to said bonds, up to the date of payment; also three semi-annual installments of interest on said bonds according to said coupons, which became due January 1st, 1901, July 1st, 1901, January 1st, 1902, and such other semi-annual installments of interest which might become due according to said coupons before the making of said payment, each of said installments being for the sum of \$1,487.50 with interest thereon at 6 per cent per annum from their respective dates of maturity until paid, and also all the costs of said suit to be taxed by the Clerk of said Court.

D. 1895 to secure the payment of said bonds, as said mortgage was reformed and corrected by the decree of said District Court, the said mortgaged premises, being hereafter more fully described, be sold to satisfy said indebtedness to said George W. Bement at public auction and in the manner hereinafter more fully set forth by the undersigned, Preston Hussey, the trustee named in said mortgage for that purpose, and who was thereby appointed special master by said Court to make said sale.

And whereas, ninety days have elapsed since the rendition of said judgment and decree, and said defendants have failed to pay said indebtedness or any part thereof, and an additional semi-annual installment of interest in the sum of \$1,487.50 became due on July 1st, 1902 which also remains unpaid, and there will on the 29th day of September, A. D. 1902 be due and owing upon said bonds, coupons with interest thereon as provided in said decree the sum of \$9,541.45, together with the costs of said suit.

Also the Graphic Mill-Site located by the Graphic Carbonate Mining Company on the 31st day of May, A. D. 1895, consisting of 5 acres of non-mineral bearing ground in the east half of Section 35, Township 2 South of Range 4 West, a copy of the location notice whereof is recorded in Book 35 at page 604 of the Records of Socorro County. Also that certain tramroad running from the aforesaid smelter to the dump at or near the north end of the Graphic mine.
